

# PFAS - Declaration of Conformity

PFAS (per- and polyfluoroalkyl substances ) are a large and complex group of synthetic chemicals that are used (as a resistant coating) in many industrial and consumer applications all over the world. In fact it are ingredients for many daily used products.

Out of healthy reasons the EU has taken measures to regulate the use of PFAS's.

We use basic metals (mainly brass) for our products ,without coating.

Based on this and based on information of our suppliers we hereby declare that none of PFAS's PFOA – PFOS – PFNA - HFPO-DA – PFHxS – PFBS are contained in the raw materials being used for our products.

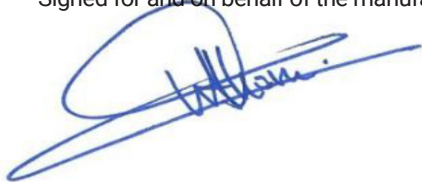

This statement is compliant to PFAS actual official regulations in the EU.

We make no warranties, expressed or implied, and assumes no liability in connection with this information.

The performance of these products is in conformity with the declared performance.

This declaration of performance is issued under the sole responsibility of the manufacturer.

Signed for and on behalf of the manufacturer by:
